Been Missing Since Saturday.

John White, aged seventeen years, of 1157
20th street, has been missing since Saturday last, and his family and friends are anxious as to his whereabouts. He was driving a cart on Saturday, and falling hurt his head, and after he had had it tied up left for a walk, but has not returned.

A special to the New York World from Brunswick, Ga., says: "Judge Wm. R. Blaine, the ordinary of Glynn county and one of the most popular men in this state, was caught stealing money yesterday from the safe of Grocer Michaelson. The merchant was absent from the store at the time. He has lost nearly \$2,000 during the past six months, and he set a trap for the thief. A policeman was secreted in the store. The merchant went out, leaving the outer door open. Judge Blaine walked in soon after Michaelson, Judge Blaine walked in soon after Michaelson left. He went to the safe and took a handful of silver from the cash drawer. He was at the safe and took a handful of silver from the cash drawer. He was at the safe and took a handful of silver from the cash drawer. He was at the safe and took a handful of silver from the cash drawer. THESE WHO MEREAPTED APPLY MUST PAY FOR
THESE QUARTERS—ALREADT FREE QUARTERS
FOR 50,000 MEN HAVE BEEN PROVIDED—REPORTS AS TO BATTLEFIELD EXCURSIONS.

There seems to be no limit to the number of
Grand Army men who are coming here as the

Grand Army men who are coming here as the northwest, and Wood's apartments, 922 and 924 guests of the citizens' committee. Already the applications for free quarters are in excess consisting the invitation from President Harrison to be our guest at the world's fair. The invitation is written on white veilum and conveys in the most glowing diplomatic language the appreciation of this country of the illustrious descendant in honor of Queen Isabella, who assisted the discoverer of America in his wonderful undertaking, and repeats the act of Congress extending the invitation. Mr. and Mrs. Curtis expect to return in six weeks time. Invitation to be provided a sleeping place for a large army. The quarters are in excess the such that is. Chairman W. H. Michael of the naval reunion committee has appointed the following committees to act during the encampment week on board and in connection with the Kear-shop who assisted the discoverer of America in his ent. Already has the committee at a large outlay of money provided a sleeping place for a large army. The quarters provided in the barracks and in the schools will active to side ladder—low ment to the supply, large and ample though that is. Never before on any similar occasion has such demand been made for accomodations in the public expression of general industries. Chairman W. H. Michael of the naval reunion committee has appointed the following committees to act during the encampment week on board and in connection with the Kear-board and in connection with the Marken Technique (Chairman W. H. Michael of the naval reunion committee has appointed the following committees to act during the encampment week on board and in connection with the Kear-board and in connection with the Marken Technique (Chairman W. H. Michael of the naval reunion committees to act during the encampment week on board and in connection large outlay of money provided a sleeping place for a large army. The quarters provided in the barracks and in the schools will accommodate by actual count 45,000 men. Applications from additional posts are coming in each day and now there are quarters needed for 5,050 men more than has been provided for. This morning applications were received from posts asking quarters for 650 men. The committee had never received any intimation from these posts that they intended to visit this city. Tomorrow, perhaps, there will be applications from as many more, and perhaps it will go on that way from day to day until by the time the encampment opens there will be 10,000 men

> However, Chairman Edson is not going to undertake the impossible. There is a limit to time and also to money. Every post was noti-

CALLING A HALT.

time and also to money. Every post was noti-fied by circular dated August S that all applica-tions for free quarters must be sent to the com-mittee by September 1. He proposes to adhere to the terms of the circular and no free quar-ters will be granted to posts whose applications have not been received. It is estimated that there will be 75,000 Grand Army men here for the there will be 75,000 Grand Army men here for the encampment, or, rather, these are the actual figures. For instance, the committee have contracted for and there has actually been made 20,000 mattresses for use in the school buildings and halls, and the list of men on the books of the committee assigned to these quarters correspond to this number. Total day Chairman Edson gave an additional order for 3,000 mattresses. There are 20,000 men accounted for. In addition the committee has established two camps, composed of buildings two and threshundred feet long, where there are separate beds for the enormous number of 25,000 men. That is 45,000 men. Applications in addition have been received from over 5,000 men, and these will be provided with accommodations. It will be seen that the citizens' committee is going to entertain free of citizens' committee is going to entertain free of cost to the recipients over 50,000 men, an army ter, left on yesterday's boat for Old Point Comfort. They will return about September 10.

Mrs. W. C. Angel of Englewood, Ill., is paying a visit to her sister and friends at 3321 B street for four or five weeks.

Mrs. W. C. Angel of Englewood, Ill., is paying a visit to her sister and friends at 3321 B street for four or five weeks.

Mrs. Mrs. Howard, T. Woods, and Mrs. upon to provide free accommodations for such

a great number. In Detroit not half that number occupied the free quarters.

In addition to the 50,000 men in quarters provided by the committee, there have been nearly 20,000 men who have secured quarters through the committee, paying the owners of the hotels, houses and halls for their quarters. In addition it is estimated that some 5,000 men have secured quarters without the aid of the committee. This latter estimate may be too have returned after an absence of several weeks small, but it will be seen that the estimate of at Onset bay, Mass. WILL HAVE TO PAY HEREAFTER.

Posts hereafter applying for quarters will have to pay for them, as the committee at this late date cannot undertake the work of erecting new buildings. That is Chairman Edson's de-termination and he intends to call the executive committee together tomorrow, when this matter will be presented to them and no doubt the decision of the chairman will be indorsed. BATTLEPIELD EXCURSIONS.

Excursions to battlefields is one of the topics

now being considered by Chairman Edson. He has not had up to date much information to give, but yesterday he received two reports. One was from the special committee on tour excur-sions, consisting of Messrs. Dudley, Parsons and Tyler. The committee states that as no roads will agree to the proposition made. The committee has also prepared a schedule of ex-cursions to the battlefields within reaching disance, which the railroads will be asked to

The principal difficulty in the arrangement of such trips as have been contemplated, the com-mittee says, lies in the fact that all the facilities of the roads entering Washington will be taxed to their utmost capacity during the encampment by trains bringing people to Washington and getting them away again.

ment and f. illure to live happily with his family had caused him to end his life, and a certificate of death from suicide was given and a certificate of death from suicide was given and a certificate of death from suicide was given and the agent in this city of the body was turned over to Undertaker Barker yeasterday by direction of the widow of the deceased.
